PETA's 25th Anniversary Gala and Humanitarian Awards Show was a tremendous success that saw caring individuals from around the globe gather on a beautiful Hollywood night to celebrate PETA's 25 years of groundbreaking work for animals. **More than 2,000 PETA supporters filled Paramount Studios' "New York Street" back lot for the celebration** that featured top-notch entertainment and the country's best vegan cuisine.

Hosted by comedian **Fred Willard** and longtime PETA pal **Pamela Anderson**, the gala paid tribute to outstanding activists and celebrities who have worked hard to promote the rights of animals through PETA campaigns. PETA Humanitarian Awards were presented to **Casey Affleck** (his award was accepted by **Joaquin Phoenix**), **Marc Boucher**, **Lauren Shuler Donner** and **Richard Donner**, **John Feldmann**, **Heather Mills McCartney**, **Moby**, **Martina Navratilova**, ...
