What: Urgent Action Is Needed to Reform Federal Nutrition Policy

Presented by Neal Barnard, M.D.
PCRM President

When: Wednesday, September 26, 2007
7 p.m.

Where: Physicians Committee for Responsible Medicine
5100 Wisconsin Ave., NW
Ste. 306
Washington, DC 20016

This session is free of charge.

I hope you will be able to join us and learn about federal policies that subsidize high-fat, high-cholesterol foods in school lunch programs. The result is an unprecedented epidemic of childhood obesity and other health problems.

It's time to fight back. [Please feel free to forward this to any friends and family that you think might be interested.](#)

Best regards,

Neal Barnard, M.D.
